

GLORIA BOUSFIELD

Gloria Bousfield BA is a visual artist and photographer specialising in unique, contemporary fine art textiles.

She is a graduate of Maidstone College of Art where she gained a BA Honours Fine Art Degree. She exhibits nationally and is Artist in Residence at the Lawrence Batley Theatre showcasing there in HOST (Huddersfield Open Studio Trail).

Her work derives from a love of colour and drawing using collage techniques traditionally on paper, now transferred into the medium of textiles.

She uses the variety of textures and vibrancy of colour found in fabrics sourced from around the world to create unique collaged work by layering and then drawing with stitch.

She has a PGCE in Art and Design from Huddersfield University and has taught in schools and colleges in Kirklees and Calderdale.
